

# YEC Design Concept for Industrial Users

We make “**Hard Drive Custom Hardware & Software**” to better control hard drive anyway our customer wants!

## *YEC Advantage:*

- Total Hard Drive Control Flexibility (ATA/SCSI commands, Counter, Timers)
- Accuracy for Test Measurement (Dedicated counters and timers)
- Easy Script Programming for One-Touch Automated operations
- Problem Separated from PC

## *How YEC Makes Products:*

	HDD Physical I/F	ATA Command Control	Counters & Timers	Script Commands Control	Communication
